:

This is a decision on the petition filed on February 24, 2003 under 37 CFR 1.102 (c) to make the above-identified application special under the accelerated examination procedure set forth in MPEP 708.02, Section V: Environmental Quality, or alternatively, Section VI: Energy.

The petition is **DISMISSED as MOOT**

The petition dated February 24, 2003 is an exact copy of the petition dated March 23, 2003 which was granted on April 11, 2003. It appears that Applicant resubmitted the petition on March 23, 2003 since the February 24-dated petition was lost by USPTO and recently matched with the application.
